Summary:

The Department of Transportation and Highways respectfully submits a change in plans and extra work of the above captioned project in the Villages of Skokie and Lincolnwood.

On 2/19/2014 your honorable Body awarded a contract to Capitol Cement Company, Inc., Chicago, Illinois for the aforesaid improvement to be completed in accordance with the plans and specifications.

The quantities as shown on the contract documents were estimated for bidding purposes only. This change represents the difference between the estimated quantities and actual field quantities of work performed with additional quantities required for paver driveway removal and placement, aggregate related items, storm sewer related items, fire hydrant with auxiliary valve and valve box and geotechnical fabric for subgrade stabilization per field conditions.

New items were added for filling potholes at various locations, modification to existing irrigation at R.O.W. due to grade differential, furnish and deliver new frames and lids, pavers related items, seeding class 1A, repair snow plow damage to curb and gutter, repair of sewer line and sanitary sewer, relocating cable for pump station, temporary signage for school area, winter traffic control and protection, repair sprinklers at school, remove and replace existing 6 inch valve, additional street signage, explore and repair broken clay pipe cleanout, explore and repair unmarked water service, water proofing existing sanitary manholes and flowmeter cabinet work.

REPORT

Department: Department of Transportation and Highways

Report Title: Fair Transit for South Cook County Pilot

Action: Refer to Transportation Committee

Report Period: N/A

Summary: The Department of Transportation and Highways respectfully requests that the Fair Transit for South Cook County Pilot be referred to Committee for further discussion. The South Cook Mobility Study was undertaken by the Department and was to determine how to put the region's existing transit assist to more effective use. The study's objective was to implement changes to fare policy, modest service improvements, and improve coordination between Metra, CTA, and Pace. The study builds upon the Department's previous efforts to bring increased connectivity and mobility to residents of South Cook County while reducing disparities in access to employment.
